Concerns Areas needing improvement	Assessment Rubric	Criteria Expected Standards	Advanced Areas exceeding standards
		The Basics	
	☐	Clearly stated purpose and audience	
	☐	Navigation is simple and links are up to date	
	☐	Visual style does not distract from purpose and content	
	☐	No issues with language use, spelling, grammar, etc.	
		The Content	
	☐	Content is presented in a logical way (i.e. organized according to a framework, presented chronologically, etc	
	☐	Specific claims are supported by evidence (ie. artifacts)	
	☐	Shows evidence of grounding in theory (ie. references to relevant literature)	
	☐	Shows evidence of learning affecting current/future teaching practice	
	☐	Reflections show evidence of stepping back and reconsidering knowledge in light of learned material	
		The Artifacts	
	☐	Artifacts are related to purpose of ePortfolio	
	☐	Artifacts provide effective support for the claims made within the ePortfolio	
	☐	Artifacts demonstrate a wide variety of skills and knowledge	
	☐	Artifacts are of good quality	

This rubric is based on the [Single Point Rubric](#) by Jennifer Gonzalez.
I would like to thank fellow student: Jessica Holder for pointing me to [the section of the forum](#) where is was brought up by Faryal Akbar.
